After these lists are set prior to the first game, these dates are mandatory for each band. It is your responsibility to make your calendar work. You are making a commitment to your friends in band. You have been placed into this particular band to balance the sound – we need you on your assigned date! If you absolutely cannot make it, a written note from your parents is required **IN ADVANCE**. ANY UNEXCUSED absences will result in removal from the pep band and the possibility of lettering points. Also, please be aware, of the Tournament dates at the end of the list. If we take a pep band for any post-season play, seniority, and commitment of pep band members will be first priority. **Call time is 5:15 p.m. for Double Headers, 6:00 for one game only.**

You are ALWAYS welcome to play extra nights. Additional lettering points will be awarded.
