Fundraising Policy for the Band Trip in School Year 2011 – 2012

Because of the rising cost of travel, Band-Aides is organizing opportunities for you to begin raising money for the anticipated trip that the Band will make in 2011-2012. Because we are so far out, we have not yet received an invitation to march in the New Year's Day Parade in London so, no decision has been made as to our actual destination. That decision will be made this summer.

Band-Aides is hopeful that providing opportunities to fund raise will allow as many students as possible to participate in the trip. All participation in these fundraising opportunities is voluntary. We are grateful to the Trip Fundraising Committee (Amy Kamm Prevot, Karla Capper, Val Barth, Maria Myers, Susan Suzuki & Susan Hocker) for their willingness to serve. We will need many more volunteers and trust that you will let them know how you can help.

Band-Aides has appointed a Trip Treasurer, Dave Churn, who will be in charge of the special "Trip account" at the bank. Each student will have their own account on www.charmsoffice.com (Charms) where they will be able to track their earnings. Parents are responsible for verifying all fundraising with the Charms account. Any discrepancies should be reported to Dave Churn.

All monies raised through fundraising are non-refundable. If a student does not go on the trip, those monies raised by that student will be distributed among those who are traveling with the group. All students must have this signed permission form to participate.
